

Shalom Supply LLC – Capability Statement

Procurement & Fulfillment Solutions | Education, Healthcare & Government | Connecticut & Nationwide

Company Overview

Shalom Supply LLC is a Connecticut-based Woman-Owned Small Business (WOSB) specializing in streamlined procurement and fulfillment of indirect consumables for educational, healthcare, and government agencies nationwide. Our proprietary Continuity Procurement Solution™ (CPS) delivers compliant, efficient, and transparent sourcing through customized, single-source solutions designed to reduce administrative burden and improve operational readiness.

Through CPS, Shalom Supply supports institutional clients with office and classroom supplies, facility and infection control products, and non-clinical medical consumables, reducing fulfillment time by up to 50% while ensuring adherence to budget, brand, and operational standards. Our model simplifies purchasing through reliable, repeatable procurement systems tailored to each organization’s needs.

Core Competencies

- Institutional supply procurement and fulfillment
- Custom classroom kit design and distribution
- Bulk ordering and packaging efficiency
- Inventory management and logistical coordination
- Agency-specific compliance and reporting systems
- Medical office consumables and facility sanitation supplies
- Non-clinical medical, PPE, and infection control supply procurement

Differentiators

- Proprietary procurement system: Continuity Procurement Solution™ (CPS) delivers measurable improvements in speed, accuracy, and compliance.
- Simplified contracting: One vendor, one point of contact, full transparency.
- Scalable model: Adaptable to local, regional, and statewide procurement needs.
- Medical-ready sourcing: Products procured through FDA-registered manufacturers and authorized distributors, with traceability and documentation support where applicable.
